Overview of RANI's history

Sergei Ivanov
Chairman, RANI

- 1. History**
- 2. Members**
- 3. Organizational structure**
- 4. Our clients and Russian pool development**

History

History of RANI

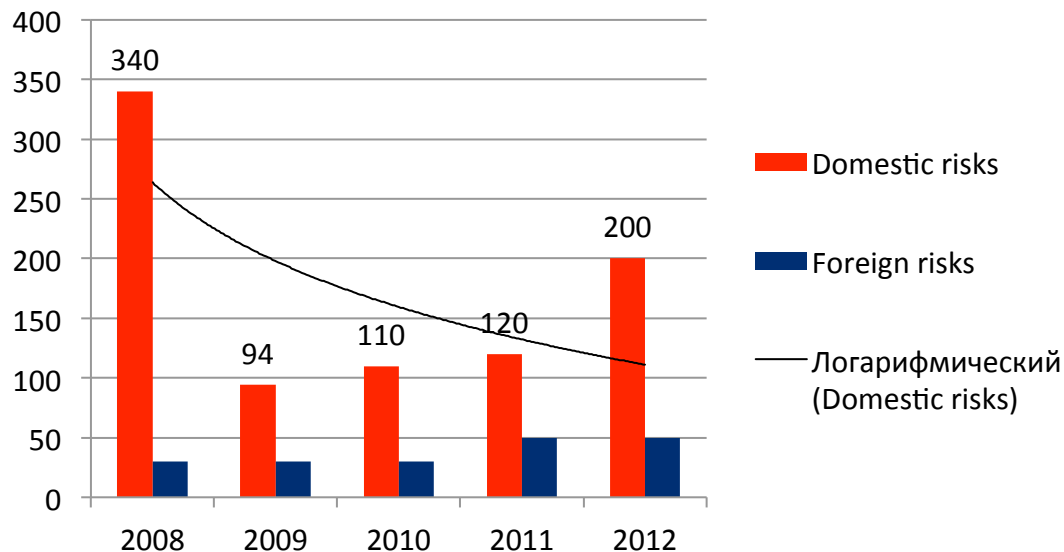

- 1997** – RNIP (RANI) foundation. JSC «MAKS» is the leader of RNIP (RANI). First NTPL policy for 9 NPPs was issued
- 1999** – First NTPL policy with Leningrad NPP
- 2007** – First reinsurance business with Ukrainian Nuclear Insurance Pool
- 2008** – JSC «SOGAZ» became a new leader of RNIP (RANI)

History of RANI: capacity for domestic and foreign risks

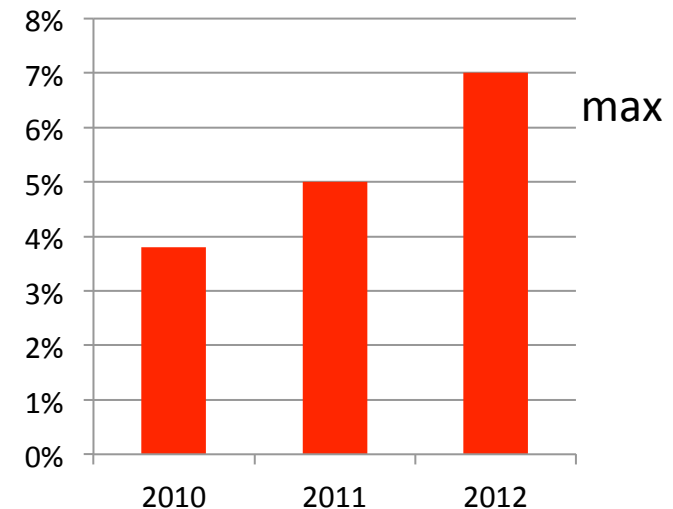

2008 - 2012

New financial requirements for pool's members were approved in 2009. The RNIP (RANI) insurance and reinsurance capacity for domestic and foreign operations was significantly reduced. Then it was growing steadily.

NEW HORIZONS A

MOSCOW, GRAND MARRIOTT HOTEL | FEBRUARY, 7, 2013

History of RANI: international and local insurance inspections

2009 - 2012

- **First international insurance inspection** was held at two Russian NPPs (Leningrad and Balakovo) in 2009. Conclusion: Russian nuclear insurance risks can be reinsured.
- **International inspections.** The first round of inspections of all plants will be done in 2013. RANI plans to conduct 2 international inspections every year.
- **Follow up international inspections.** 3 f-up inspections were done. RANI plans to conduct 2 f-up inspections every year.
- **Local insurance inspections** on FCF and Research Institutes. 4 inspections were done in 2012.
- **Insurance inspections on foreign NPPs.** Our expert participated in 3 inspections in 2012.

History of RANI: trainings of engineers

2012:

- First INPO training was arranged in Moscow.
- Engineering training for Russian engineers was arranged by American Nuclear Insurers (USA).
- Classroom training organised on insurance risk assessment at NPPs, covering NSO, TPL, MB & FP.
- Additional training provided by ANI (USA).
- Practical on-site training being provided in Russia and overseas.
- Russian engineer participated at three foreign international insurance inspections as an inspector. Russian engineer became a member of Engineering Subcommittee of the international pooling system.

NEW HORIZONS AFTER 15

MOSCOW, GRAND MARRIOTT HOTEL | FEBRUARY, 7, 2013

2010:

Government Resolution №504 about insurance pools came into force. Some of the antimonopoly legislation restrictions were not applicable for RANI any more.

Pool's members

Leading pool's members

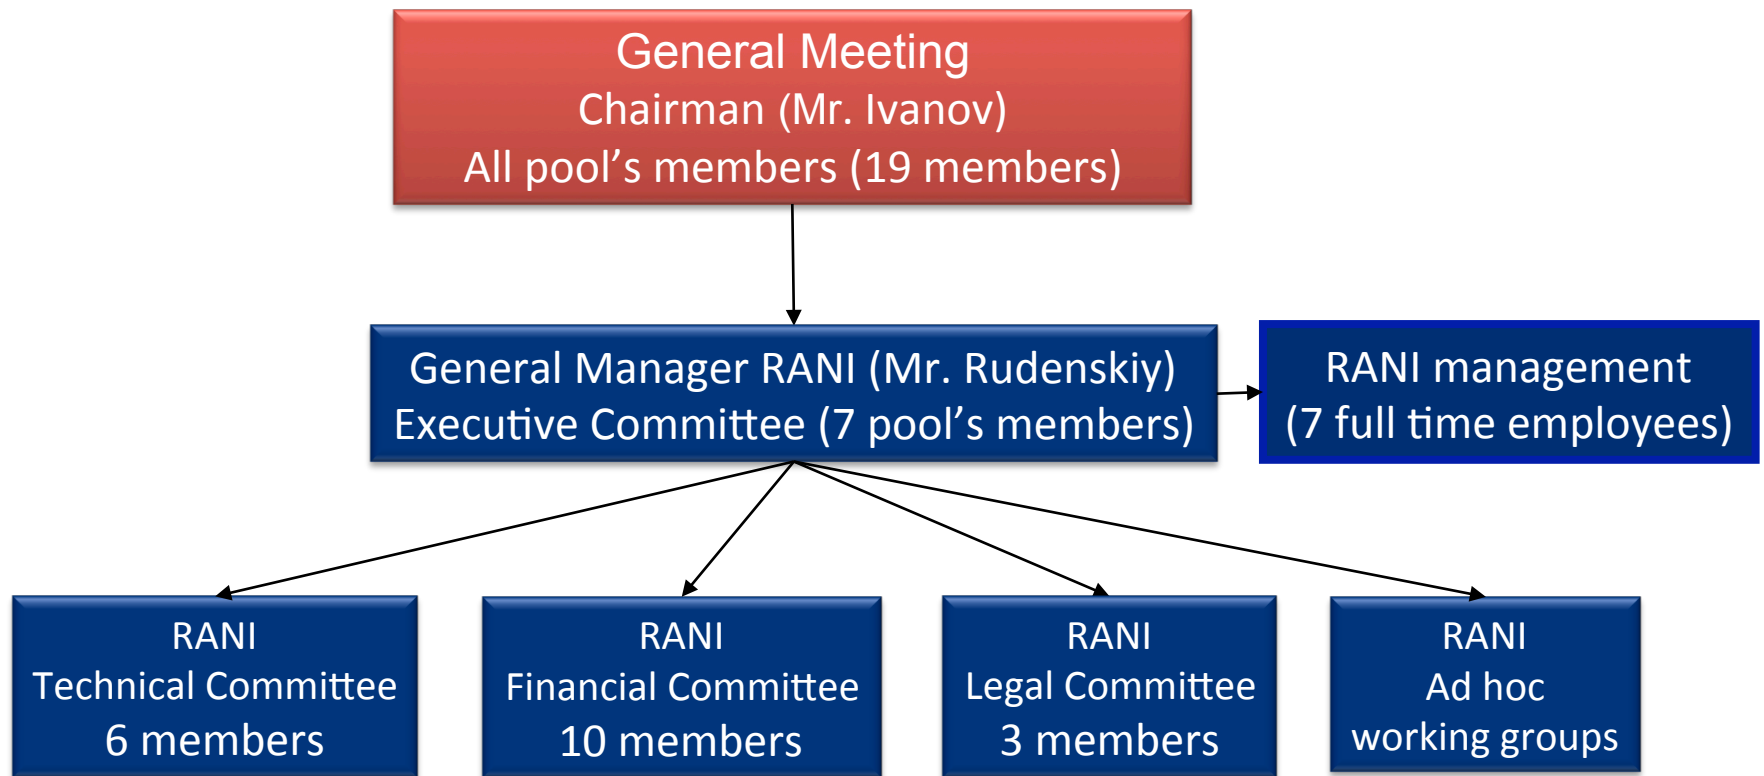

Pool's members	International ratings	Foreign insurers participation	Pool's share (17.05.2012)
SOGAZ	International BBB- / S&P	no	15%
Ingosstrakh	International BBB- / S&P	Generali – 39%	15%
Allianz	International Baa 1 / Moody's	Allianz AG - 100%	6%
